Dear Exhibitor,

Fire Engine & Vintage Vehicle Show - Saturday 23rd & Sunday 24th June 2018

Firstly, we would like to take the opportunity to thank all exhibitors who attended the event in 2017. The Fire Engine & Vintage Vehicle Show, organised and co-ordinated by TAFER & Stockton-on-Tees Borough Council is growing year on year and continues to be a great success, this would not be possible without the support of individual exhibitors who go out of their way to attend and contribute to the event.

The plans for this year's Fire Engine & Vintage Vehicle Show are well underway and as such we are now accepting entries for exhibits.

The event will be taking place at Preston Park on Saturday 23rd & Sunday 24th June 2018. If you're interested in exhibiting your vehicle please complete the attached booking form and return before **Friday 4th May 2018** to:

Please note that whilst entries may be submitted after this date, they will not feature in the programme and are not guaranteed to be judged. The final date for entry submissions not featuring in the programme is **Friday 18th May 2018**.

Anybody wishing to enter multiple exhibits should ensure that a separate entry form is completed for each exhibit. Additional forms can be requested by contacting the email address or telephone number above.
