Dear Exhibitor,

Fire Engine & Vintage Vehicle Show - Saturday 29th & Sunday 30th June 2019

Firstly, we would like to take the opportunity to thank all exhibitors who attended the event in 2018. The Fire Engine & Vintage Vehicle Show, organised and co-ordinated by TAFER & Stockton-on-Tees Borough Council is growing year on year and continues to be a great success, this would not be possible without the support of individual exhibitors who go out of their way to attend and contribute to the event.

The plans for this year's Fire Engine & Vintage Vehicle Show are well underway and as such we are now accepting entries for exhibits.

The event will be taking place at Preston Park on Saturday 29th & Sunday 30th June 2019. If you're interested in exhibiting your vehicle please complete the attached booking form and return before **Monday 20th May 2019** to:

Lucy Munsey
Event Support Team
Room L4 - Basement
Municipal Buildings
Church Road
Stockton-on-Tees
TS18 1LD

Or electronically to: events@stockton.gov.uk

Please note that whilst entries may be submitted after this date, they will not feature in the programme and are not guaranteed to be judged. The final date for entry submissions not featuring in the programme is **Friday 21st June 2019**.

Anybody wishing to enter multiple exhibits should ensure that a separate entry form is completed for each exhibit. Additional forms can be requested by contacting the email address or telephone number above.

Please note that due to limited space available on the show field, camping is restricted to 1 pitch per exhibit and a maximum of 4 persons per pitch (including exhibitor). All campsite users **MUST** adhere to the terms and conditions that will be included on the reverse of the camping pass.

All passes and final information will be sent out no later than **Friday 7th June 2019**. Should you require any further information in the meantime, please do not hesitate to contact me.

Yours sincerely,

Lucy Munsey
